Teacher Training

Teacher Training outside of Texas – Please visit your state’s Department of Wildlife Conservation. Look into Hunter Education, Boater Education, NASP Archery and Angler Education. Many states will have additional training. Most courses are free.

For Texas schools, I have provided several dates for each training. Please check your schedules and register with the contacts provided. Texas Parks and Wildlife Department’s Hunter Instructor and Boater Education will require some homework prior to the training. Contact Scot McClure if you need assistance Scot@GoTF.com

Benefit Concert

Dear OA Teachers,

I usually do not promote OTF fundraisers through the Outdoor Adventures Newsletter but I'm so excited to share this year's benefit concert details. The OTF has a private concert and dinner with the Josh Abbott Band. Josh Abbott really appreciates the mission and impact Outdoor Adventures has on tens of thousands of youth. The OTF is so blessed to have a huge country music sensation highlight our benefit concert.

This year's benefit concert is going to be a wonderful opportunity to celebrate OTF's tremendous growth and life-changing impact on nearly 80,000 kids annually. The theme of this year's benefit concert is "**On Target**" as we are aiming to raise funds that will allow us to reach our goal of teaching archery, fishing, camping, hunter education, wildlife conservation, first aid/survival and so much more to **100,000+ kids annually by 2023.**
