

CERTIFIED VETERINARY

TRAINING AND CERTIFICATION PROGRAM

CVA CERTIFICATION TIPS

1

Call TVMA 1-2 months prior to your desired testing date to schedule your test. If you do not have a test date scheduled with TVMA, your applications will be processed on a first-come basis.

5

Please note that all certificates will be mailed to the school address.

2

Make sure that ALL paperwork is filled out completely.

6

If you need a copy of the High School CVA application, please visit our website www.tvma.org and click on the "Certifications" tab.

3

Send in completed paperwork at least 2 weeks before your scheduled testing date.

7

For updated information regarding the CVA program, please follow our Facebook page: Certified Veterinary Assistant.

4

If your students are receiving a PPE (Practicum Pending Experience) certificate, ALL of the skills on the checklist must be completed in order for the student to take the CVA exam. The 300 hours of clinical experience is the only thing that can be pending.
